The Clan Hotel Singapore has created a new experiential stay package – The Clan Uncovers: Heritage & Craft – to engage guests as they learn about the city-state’s rich heritage and history.

The package includes a curated itinerary and a two-night stay in the hotel’s signature Master Series Premier Room, as well as daily breakfast for two, limousine transfer upon departure, late check-out, choice of one experiential activity for two, four-course dinner, and a complimentary local precinct tour (available on Wednesday or Saturday).

The Clan Hotel Singapore’s new experiential stay package lets guests learn about Singapore’s heritage and history

Experiential activities include a choice of a trishaw and bumboat ride by Uncle Trishaw or a Supermama Bento Workshop Experience.

Priced at S\$995 (US\$717), bookings are open from now till December 21 for stays between June 18 to December 30.
