Experience a dose of Singapore's rich culture, history and heritage at The Clan Hotel. Located in bustling Telok Ayer, this charming hotel draws inspiration from clan associations along Amoy Street, Cross Street and Far East Square. We absolutely love the oriental flair of this gorgeous staycation destination. Head through its doors, and you'll be treated to a customary welcome tea ceremony that'll make you feel right at home. We

also recommend taking a soothing dip in the Sky Pool at night – its views of the city from the 30th floor are absolutely magical.
